The Spicy Asian Shrimp continues to be a hot seller. She turned up the heat because you said it should be hotter. so without running the subtle undertones of very high quality shrimp the spice is right and the rich flavor of the shrimp comes through beautifully; you should try it now! The Korean Spicy Fish Soup/Stew was a big hit. Our new Chicken Caesar Wrap is very popular although we have had a hard time getting hearts of romaine. You asked for it, and Myong made it.

On May 16th, Myong will be putting out "Black Pork" Back Ribs and they are nothing like you've ever tasted. They are hand rubbed and slow cooked, finished with Myong's Asian Glaze.

Brick Duck will also be available later in the week. It is finished with a mildly spicy Apricot sauce. These Ducks are NOT fatty. They are full of flavor, rich, and fresh, NEVER frozen.

Chicken & Veggie Stir-fry is available too. Call to place your order and pick-up on your way home. It takes a few minutes to WOK it up.

Please call the store if you'd like us to save something for you. 914-241-6333

The brand new ice machine has been installed and pumps out the purest cleanest tasting ice you can get. Everything on ice just tastes great. Some new smoothies are our:
